9. In case of Rain, Bring your Poncho. Rain makes Skiing so much fun!!

## **Ski Safety Tips:**

1. Ski in control. Be able to stop or avoid other people and objects.
2. Look at trail maps for slopes suited to your ability.
3. Recognize your ability and take lessons to improve.
4. Be aware of other skiers by being courteous and considerate.
5. Respect skiers on the beginner slopes and do not ski fast or jump in this area.
6. Those ahead of you have the right of way. It is your responsibility to avoid them.
7. Use suitable and safe equipment. Have safety bindings checked regularly and wear safety straps to avoid runaway equipment.
8. When stopping on a slope, avoid blocking the path of others. Move over to the side as you may not be visible from above. Check uphill traffic before crossing a trail or when starting out after stopping on a slope. Yield to others.

9. Ski with a companion.
10. Obey signs and rules of the ski area. Do not ski closed trails or undesignated areas.
11. Be aware of markers set down by Ski Patrol to indicate rocks, roots, bare spots, etc.
12. Do not wear loose clothing or flowing scarves. Long hair should be tucked inside a jacket.
13. Stop and eat when hungry and rest when tired.
14. Respect ski classes in session. Do not ski through or interrupt them.
15. Follow lift line procedures posted. Do not cut lines. If you have not been on the lifts, learn how to load, ride and unload safely.
16. Do not ski over other skis.
17. Ride the lifts carefully. Do not swing, jump, or deface the chairs. Pull the safety bar down and place your skis on the footrest. Keep ski poles up and carry poles by the shaft.
18. Notify ski patrol of any accidents. Report the exact location. Cross skis on the slope above the injured skier to protect them from other skiers.
19. What non-breakable sunglasses or goggles.
20. ALWAYS WEAR A HELMET.
